KOREAN FRIED CHICKEN

At Crisp, we use hormone-free chicken that is always fresh and never frozen. We prepare the chicken with select spices and herbs, lightly batter it by hand, and then pressure fry it in zero trans-fat oil. Finally, we glaze it in our homemade sauce of your choice.

PLAIN JANE (NO SAUCE)

Despite the name, there is nothing plain about this chicken. For the purist who likes his fried chicken sans sauce, this chicken is prepared in a marinade of our select, traditional spices, then dipped in our secret batter before being fried to CRISP perfection.

SEOUL SASSY (SWEET)

A family recipe handed down through many generations, this subtly sweet, non-spicy sauce is prepared with ginger, soy, garlic, and other select spices to make it a crowd favorite. Topped with green onions.

CRISP BBQ (SPICY)

Not a Memphis or Chicago barbecue — Our homemade Korean BBQ sauce is a little spicy, a little sweet and a little smoky. Prepared with traditional fresh herbs and spices.
* Extra spicy upon request

BUD'S BUFFALO(MILD, SPICY, SUICIDE)

We make our Buffalo sauce in-house following the recipe we lifted from our favorite Chicago Hot Dog Stand, **Budacki's Drive-In**, at Lawrence and Damen.
*It's available in Mild, Spicy, and Suicide
